*Jen Sturtevant Meus was recently diagnosed with Advanced Breast Cancer (stage 4). This diagnosis is devastating! Jen, Garry (Jen's husband) and their twin 6-month-old boys remain extremely optimistic that they can achieve remission with the help of Jen's doctors, prayers, well-wishes, family and friends. The family are now under extreme financial strain as a result of Jen's treatment. They are in immediate need of our help. Please consider making a contribution in any way that you can.*

*Suggested Donation:  
Minimum of \$50 per person  
Children Under 10 - \$20*
